

HIBIWASH® BONDS TO AND CARES FOR SKIN, WHILST KILLING BACTERIA.

Hibiwash® is your **trusted partner** in helping prevent infections, promote skin's integrity and save time before performing surgical procedures. Hibiwash® has no colour, no fragrance and no traces of soya oil.

Our **NEW full-body antimicrobial Hibiwash®** with 4% Chlorhexidine Gluconate kills microorganisms before and after the operation helping to reduce the **11 in 100 chance** of a surgical site infection.¹

Together let's move towards zero.

Hibiwash®
